

Request for "One Last Ride"

To My Family and Friends,

In addition to whatever other requests that I have, or have not, made it is my intention in making this statement to empower those that have loved and cared for me throughout my lifetime to carry out one last request. This is why I have put to writing my request of my survivors to take me to my final place of rest on the 'Motorcycle Hearse' owned and operated at the time of this statement by Dave Eady (<http://www.themotorcyclehearse.com>). It is my wish that I be remembered in a manner that reflects who I was, and will always be.

This statement is declared under the penalty of perjury, under the laws of the State of _____.
